

Beauty Coat Contest

You can earn the Pearls of Sharing AND your MK Beauty Coat by sharing the MK opportunity with at least 9 women in your first 30 days! You can share the opportunity via a three-way call with your Director, by bringing a guest to MNL, or by having your potential new team member call in to the Listen for a Lip Gloss Line! We suggest doing a combination of the three. Make sure that before you share the opportunity each of the women have tried the Mary Kay products.

Earn your **Pearls of Sharing Earrings** by sharing the marketing plan with 3 women.
