"I was excited to begin the Power Start after my Debut Party. I contacted my friends for individual facials or to invite a few friends to share the Mary Kay products. I overcame my fear of asking for help. I enjoyed the time with friends during the facials and meeting new friends by sharing my love of the Mary Kay products. It was wonderful to see the smiles and transformation during the facials. It really is better to give than to receive. I love the Mary Kay opportunity and I highly suggest that you take the challenge of completing a Power Start!"

Tammie Jarvis

"I’ve watched three consultants rise up to Directors by completing a Power Start every month. We have the tools, we just need to use them. Mary Kay has transformed my life and I want to share the products and opportunity with everyone. I printed a Power Start tracking sheet and was motivated to fill the sheet up quickly! I completed my Power Start in less than 30 days, added 5 new team members and sold $1,300 in products. This completely JUMP started my business again and I’m already tracking another Power Start. I would encourage everyone to complete one EVERY month!"

Melissa Kenck
